Georgetown Visitation

PREPARATORY SCHOOL

TenniStar® Sports summer camps, founded and directed by Mitch Henkin, return to Georgetown Visitation this summer for our 10th fun-filled season. Our dynamic programs offer a variety of sports opportunities for boys and girls of all levels, and our instructors are among the area's best.

Our Programs

TenniStar® (Boys & Girls, Ages 5-15)

Jacob Abrams and Ashley Doriss, along with a stellar crew supervised by Mitch Henkin, return to this popular camp. Students are grouped by age and ability, and each day a different stroke is emphasized through work on stroke fundamentals, singles and doubles strategy, and fun games. Even our youngest campers rapidly progress through tennis basics.

LaxStar (Girls, Ages 9-14)

Come experience one of the country's fastest-growing sports! Players will be divided up by ability, allowing new players to run through basic skills, such as cradling and catching, while our more advanced group will work on the tactical aspects of the game. Our afternoon session will be June 27th – July 1st.

Mary Veith will direct LaxStar, HoopStar, Star Field Hockey, and VisiStar.

A graduate of the Visitation class of 2005, Mary Veith captained the varsity lacrosse, basketball, and field hockey teams her senior year and was an all-league selection for all three sports. She attended the University of Notre Dame, where she played lacrosse at the collegiate level. Mary is currently the varsity field hockey coach at Visitation and teaches in the English department.

HoopStar (Girls, Ages 9-14)

Improve ball handling, shooting, passing, and defending. Our instructors cover the fundamentals of the game, while teaching tactical skills as well. **Brittany Mitch, head basketball coach at National Cathedral, will assist Mary Veith.** All levels are encouraged to attend our afternoon camp the week of June 13th – 17th.

Star Field Hockey (Girls, Ages 9-14)

This camp develops the complete player by focusing on basic stick skills, rules of the game, and fundamental principles through fun drills, games, and scrimmages. **Mary Veith will be assisted by Jane DeGrenier, the head field hockey coach at National Cathedral.** The camp is offered in the afternoon the week of June 20th - 24th.

VisiStar (Incoming Visitation Freshmen and Friends)

Created by Visitation alumnae for incoming students, this camp introduces the new class to the campus, the community, and each other. Visitation alumnae, coaches, and students lead this low-key camp that is a blast. Campers participate in or gain exposure to a variety of sports during team-building, bonding exercises, and games.

Holidays + Rain Days

TenniStar® camp will be held July 4th. All sessions take place on rain days. Indoor activities replace those planned outdoors.
