# Georgetown Visitation

PREPARATORY SCHOOL

**TenniStar® Sports** summer camps, founded and directed by Mitch Henkin, return to Georgetown Visitation for our 11<sup>th</sup> fun-filled season. Our dynamic programs offer a variety of sports opportunities for boys and girls of all levels, and our instructors are sensational.

## Our Programs

### TenniStar® (Boys & Girls, Ages 5-15)

*Jacob Abrams, along with many returning instructors from 2016 trained by Mitch Henkin, returns to this popular camp.* Students are grouped by age and ability, and each day a different stroke is emphasized through work on stroke fundamentals, singles and doubles strategy, and fun games. Younger campers use special equipment and balls and gain skills in running, throwing and catching so that they can rapidly progress through tennis basics. **Campers must be 5 years old by the first day of camp and entering kindergarten in September.**

### LaxStar (Girls, Rising 4th-8th Graders)

Come experience one of the country's fastest-growing sports! *Clara Schneider, a Montgomery County school teacher and formerly a player/coach at Towson and off-season varsity and JV coach at Whitman, directs this camp.* Players will be divided up by ability, allowing new players to run through basic skills, such as cradling and catching, while our more advanced group will work on the tactical aspects and game play. Our afternoon session, for rising 4th-8th grade girls, will be June 26th-30th, and our morning session, for rising 7th grader girls and up, will be July 24th-28th.

### HoopStar (Girls, Rising 4th-8th Graders)

Improve ball handling, shooting, passing, and defending. Our instructors cover the fundamentals of the game, while teaching tactical skills as well. *Brittany Mitch, head basketball coach at National Cathedral, will direct the camp.* All levels are encouraged to attend our afternoon camps the weeks of June 19th-23rd and June 26th-30th.

### Star Field Hockey (Girls, Rising 3rd-8th Graders)

This camp develops the complete player by focusing on basic stick skills, rules of the game, and fundamental principles through fun drills, games, and scrimmages. *National Cathedral School's head field hockey coach, Jane DeGrenier, returns to lead the camp.* The camp is offered in the mornings, the weeks of June 19th-23rd and June 26th-30th.

### SoccerStar (Girls, Rising 4th-8th Graders)

*Danielle Malagari, varsity soccer coach at National Cathedral School and a four-year student-athlete at the University of Maryland, will direct campers through a variety of drills and games.* The camp is offered in the mornings the week of June 19th-23rd and in the afternoons the week of July 24th-28th.
